

Dr. Eric A. Jensen

BA, MA, MPhil, PhD

CEO and Director of Research, Institute for Methods Innovation

CAREER HISTORY

Relevant highlights

GRANT-FUNDED PROJECTS (Selected)

Since 2007, I have led 80+ research, evaluation or impact projects or work packages as PI, co-PI or co-I, worth about \$7.3 million to my institutions (total value of these projects is around \$37.3 million).

Hypop: HYdrOgen Public OPiniOn and acceptance
European Commission Horizon2020 Innovation Action (2023-)
Budget: €1,062,755

GlobalSCAPE: Global Science Communication and Perception
European Commission Horizon2020 Research and Innovation (2021-2023)
Budget: €1,199,937 | www.global-scape.eu

Project Ô: Demonstration of planning and technology tools for a circular, integrated and symbiotic use of water
European Commission Horizon2020 Innovation (2018-2022)
Budget: €10,569,305 | www.eu-project-o.eu

RRING: Responsible Research and Innovation Networking Globally
European Commission Horizon2020 Research and Innovation (2018–2021)
Budget: ~€3 million | www.rring.eu

TeRRIFICA: Territorial Responsible Research and Innovation Fostering Innovative Climate Action
European Commission Horizon2020 Coordination and Support Action (2018-2022)
Budget: €1,999,953 | www.terrifica.eu

GRRIP: Grounding RRI Practices in Research Performing Organisations
European Commission Horizon2020 Coordination and Support Action (2018-2022)
Budget: ~€1.4 million | www.grrip.eu

MUSICA: Multiple Use of Space for Island Clean Autonomy
European Commission Horizon2020 Research and Innovation Action (2020–2024)
Budget: ~€9 million | www.musica-project.eu

PERFORM: Participatory Engagement with Scientific and Technological Research through Performance
European Commission Horizon2020 Research and Innovation Action (2015–2018)
Budget: €1,997,253

PUBLICATIONS

So far, I have published 120+ journal articles, books, book chapters and official reports, including numerous influential policy reports for government and non-profit organisations such as UNESCO, Science Foundation Ireland, the European Space Agency, the Department for Digital, Culture, Media and Sport, Department for Environment, Food, & Rural Affairs, Arts Council England, the Australian Research Data Commons and the European Commission.

Books (selected)

Gray, D. & Jensen, E. (2022). *Doing research in the real world: 5th Edition*. SAGE: London.

Dam, F., Bakker, L., Dijkstra, A. & Jensen, E. (2020). *Science communication: An introduction*. World Scientific Publishing.

Jensen, E. & Laurie, C. (2016). *Doing real research: A practical guide to social research*. SAGE: London.

IMPACT

Recent highlights

- Author of the global report for the first formal monitoring point for the UNESCO Recommendation on Science & Scientific Researchers, analyzing and synthesizing national reports submitted from all over the world and preparing a report with recommendations for the UNESCO Executive Board. (Invited to join UNESCO temporarily for this assignment based on recognized expertise on topic of socially responsible research systems).
- Developed detailed methodological framework for the UNESCO Recommendation on Science & Scientific Researchers formal monitoring process, as well as piloting the new process in six African UNESCO Member States (Consultancy project conducted in 2022).
- Lead author of the national reports on the state of science submitted to UNESCO for the quadrennial monitoring of the Recommendation on Science & Scientific Researchers for South Africa, Lithuania, and Serbia.
- Invited expert trainer for Arab UNESCO Member States on monitoring and evaluation of science systems.
- Designed and published indicators framework for the UNESCO Recommendation on Science & Scientific Researchers in collaboration with UNESCO permanent staff.
- Invited trainer (and training via the registered charity I co-founded) for numerous research and innovation institutions and governments around the world on topics relating to informal learning, evaluation and evidence-based practice (Trained >15000 researchers, policymakers, learning and impact professionals from >1000 institutions in > 75 countries, including on the ground in 30 countries, delivered in English, Spanish and Brazilian Portuguese).
